## Healing Therapies Foundation

Bringing the **caring touch**  
of **complementary medicine**  
to **cancer patients**

### How We Help

The Sandra J. Wing Healing Therapies Foundation provides funds so that cancer patients can experience the immediate benefit of complementary therapies to help alleviate the side effects caused by radiation and chemotherapy. These therapies provide healing benefits to cancer patients, which are not normally covered by insurance.

Cancer patients living in Pleasanton, Livermore, Dublin, San Ramon and Danville are encouraged to apply for Foundation's funds to experience the following healing therapies:

- **Guided/visual imagery**
- **Acupuncture**
- **Acupressure**
- **Therapeutic Massage**
- **Deep breathing meditation**

There are many cancer patients who would benefit from these therapies, but are not able to afford them. The Sandra J. Wing Healing Therapies Foundation provides grants for up to \$1,000 per patient to use with approved care providers.

### How YOU Can Help

The application process is easy.
